College Band Will Play At Ripon Game

Forty Students Sign Up For Tryout For Newly Organized Student Pep Band

With forty candidates listed for tryouts and one of the best band conductors available signed up to direct it, the college band is rapidly becoming an assured thing. Tryouts were held last evening, and according to Harry Snyder, All-College club president, the organization will be one of high class. The predominating instruments at the tryouts were clarinet and cornet, seven of the reeds and nine cornets being listed.

Mr. Edward Mumm, director of the Artillery band and Elks' band, has agreed to conduct the organization. If enough interest is shown he hopes to build up a band which can handle concert work as well as march and pep music.

It has been definitely decided that the band will be taken to Ripon to back the team tomorrow. At the present time the problem of transportation presents the biggest difficulty, but those in charge are confident that this can be easily overcome.

According to George Neidert, All-College club treasurer, those who pledged money to the band fund are supporting their pledges in fine style, but there are many pledges which have not yet been paid. Those who have neglected to pay are to give their pledged amounts to any of the following: Anna Marie Woodward, Sage; Ellen Tutton, Smith House; or Mildred Scott, Ormsby. Town students may give their money to George Neidert at the book-room. Students are urged to meet this obligation at the earliest possible date.

Spanish Setting Feature of Unique Summer Sessions

Spanish atmosphere plus American bath tubs and sanitary cooking may sound like a visionary's conception of Utopia to most people, but to Miss Charlotte Lorenz of the modern language department, it was a heavenly reality this summer.

"Leave English behind ye, all ye who enter here," might be the warning over the doors of Middlebury College in the mountains of Vermont, where for the duration of the summer session Miss Lorenz spoke nothing but the Spanish language.

Spanish lessons, Spanish culture, and Spanish entertainment are the features of this unique educational system. Students live at the dormitories and at all times must hold all conversation in the foreign language on pain of dismissal. Even Sundays are not days of rest in this respect. Festivals that smack of the country of the Dons, Spanish travelogues, dramas and picnics with Spanish songs sung around the campfire uphold the foreign atmosphere even during the hours of recreation.

Students of a similar French college which is nearby, occasionally serenade the temporary Spaniards, says Miss Lorenz, but as a rule the two groups do not mingle.

Sings in Chapel

Mrs. Clinton MacCreedy, a student at the Conservatory, gave a program of songs at chapel Wednesday morning, October 20. Included on the program were "The Moon Goes Drifting" by Homer Grunn, "The Bird" by Fiske, "Children of the Moon" by Warren, and the "Jewel Song" from Faust, by Gounod. Her encore was Liza Lehmann's arrangement of "Annie Laurie."

Ripon Special Is Smashed By Autos

Hopes for a Blue and White special to Ripon were wrecked early yesterday when the "special" plans crashed head-on into competition from a fleet of motor vehicles, of the supposedly extinct collegiate silver variety. Although nearly 150 students had planned to attend the Ripon tilt via the special, it was impossible to secure the additional fifty necessary to engage the train.

Although balked in plans to send the new college band on the special, the Student Senate has announced that the band will be at the Ripon game. Definite plans for transportation have not been completed but it is likely that the trip will be made either in motor cars or a bus.

Claude H. Snider, Students' Friend Dies Wednesday

Popular Restaurant Owner Is Stricken Suddenly By Stroke of Apoplexy

Lawrence students have lost a real friend in the death of Mr. Claude H. Snider, proprietor of Snider's Restaurant. He died about 9:30 Wednesday night at the home of Mrs. Snider's sister, on a farm a few miles out of Merrill, where he had been visiting for a few days. The cause of his death was a stroke of apoplexy to which he succumbed almost immediately. Mr. Snider was 58 years of age.

His body was brought to Appleton Thursday and will lie in state at the Knights of Pythias Hall. The funeral will be held from the hall at 2:30 Saturday afternoon. He is survived by his wife, two stepsons and two stepdaughters. He had reached the age of 58 years.

Wriston Entertains Fraternity Heads

Presidents of Lawrence college fraternities were present at a noon luncheon held at President Wriston's home Wednesday noon, at which questions of interest to those present were discussed. Besides the fraternity heads, Dr. Wriston, Dean W. S. Naylor, and Mr. Ralph Watts were present.

Another meeting of fraternity presidents will be held in two weeks, November 3, at the Theta Phi fraternity house, Dr. Wriston said.

Menzner Elected To Head Sunset

Howard Menzner, '28, and Agnes Huberty, '28, were elected president and vice-president, respectively, of Sunset Players at a meeting of that group held Wednesday, October 20, in the Little Theatre. This election was necessary owing to the failure of two of last year's officers to return to Lawrence.

At the same time a committee was appointed for the purpose of revising the archaic constitution of the club, and to decide upon a suitable initiation ritual for the newly elected members. The committee chosen consists of Miss Welty, Irene Elkert, Helen Chegwin, and Agnes Huberty.

There will be a meeting of the active members Wednesday, October 27 in the Little Theatre, at which time the committee will submit their opinions and suggestions, and will decide definitely upon a program for the year.

Margaret Ellen Evans, '30, Mary Morton, '28, and Lois Manchester, '27, hiked to Green Bay Saturday where they attended the Marinette-Green Bay football game.

Conservatory Student Wins District Meet

Will Compete For National Honors In Contest At Sesquicentennial Convention

Pearl Felton '28, Appleton, a student of Dean Carl J. Waterman, was awarded first place in the district contest for singers, which was held in Kimball Hall at Chicago, Wednesday, October 20. This entitles her to go to the Sesquicentennial convention at Philadelphia to compete for national honors in the final contest which will be held the first second, and third of November. To the winner of this contest a prize of \$500 will be awarded.

The contest is sponsored by the National Federation of Music Clubs and is open to all singers, pianists and violinists under twenty-four years of age. The contest at Chicago included the winners of state contests from Iowa, Illinois, Nebraska and Wisconsin. Miss Felton won first place in the Wisconsin contest which was held at Milwaukee on October 14. She is from the studio of Dean Carl John Waterman.

Smokes Are Taboo In Dormitory Rooms

Beware, fair damsels who revel in the luxury of an occasional or not so occasional smoke in the privacy of your chamber! That is, have a care if you want to stay at Lawrence. For W.S.G.A. has decreed that the dire penalty for so doing shall be a swift and heartless dismissal from the campus accompanied by an equally heartless letter to your parents.

Mid-Victorian? Perhaps. But if you're wise you'll take heed, for the proctors will get you if you don't watch out!

Rev. Wriston Talks To Student Body

"If we don't think well of ourselves we cannot go out and convince the world that we are worth anything," said Reverend Henry Wriston of Boston in his talk at convocation Thursday. To illustrate this point, he used the Bible story of the ten spies who came back from the promised land and reported that they were as grasshoppers in their own sight and in that of the inhabitants of the land.

"High appraisal," he said, "is a great commercial asset. To sell a thing, you must believe in yourself, in the firm you represent, and in the article you are endeavoring to sell." As an example of great high appraisal, he cited the slogan of a western city, "It is a privilege to live in Denver!"

Turning from the value of high appraisal as a commercial asset, the speaker said, "The man who does not believe he has a place in the world, who does not believe in his destiny, will not make a great fight against evil. Stick to your convictions. Don't worry because you may be with the minority if you are in the right. Pay the price and fight to the finish, to the death if necessary. In this manner achievements are wrought."

Dr. Wriston is the father of President Wriston and is an old classmate and friend of Dean W. S. Naylor.

Make Lawrentian Staff

Owing to an error the name of Dorothy Von Berg was omitted from the Lawrentian staff list last week. Others who have made the staff during the past week are Milton Leadholm, Randall Penhale, and Meredith Bandy.

Tito Schipa Will Appear Here Tuesday

Community Artists Series Presents Well Known Tenor As Next Number

Tito Schipa, world's premier tenor, will appear in concert at Lawrence Memorial chapel Tuesday evening, October 26, under the auspices of the Community Artist Series.

Tito Schipa has sung his way to tremendous fame. Today he is known to every one throughout America as "the world's greatest singer regardless of voice classification."

The famous artist was born in Lecce, Italy, and showed great genius while still a youth. Giving up his preparation at a seminary, Schipa studied under famous Italian teachers of voice for six years before he made his debut. His success was immediate. His first American appearance was made with Galli-Carell in Chicago in 1919. In recent years he has been singing with the Chicago Civic Opera Company, and has received universal acclaim on his concert tours.

Tickets for the concert may be obtained at Belling's Drug Store or at the conservatory office.

Begin Trials For Schola Cantorum

Dean Waterman has issued a call to all vocalists to try out for the Schola Cantorum. Extensive plans are being made for the work of the chorus, and the prospects should attract every student interested in choral music. The chorus will consist of 150 voices.

The major projects for the year are the following: The presentation shortly before Christmas of Handel's "Messiah," and a Spring Festival, consisting of two concerts. The first night of the festival will be devoted to music of the opera, and will be featured by prominent opera soloists. The second concert will consist of a modern oratorio sung by the Schola Cantorum with orchestral accompaniment, assisted by noted oratorio singers.

The male section of the chorus will consist of the Men's Glee club and other interested singers. All college men who wish to take part should arrange for a try-out at the conservatory.

About ninety girls have already tried out, but there is still opportunity for a few more to obtain places. All girls who desire a try-out should be at the concert hall at the conservatory at 4:30 Monday afternoon.

Three Y.W. Groups Hold Discussions

What is personality? Is it a reflection of character? What is character? These are the questions which the personality group of the Y.W.C.A. under the leadership of Mary Reeves, discussed Thursday, October 21. The conclusion arrived at was that personality is one's reaction to life.

The social relations group under the leadership of Helen Duncan discussed the relations between men and women on the campus. The group will continue the discussion at the next meeting.

The negro problem was the topic taken up by the World Fellowship group, led by Agnes Norem. The discussion dealt with individual and national relations. An attempt was made to answer this question, "What institutions might be barriers to world fellowship?" At the next meeting the Indian problem will be discussed.

Two Girls Pledged Theta Sigma Phi

Helen Diderich and Dorothy Ralph, both '26, were honored last week by election to Theta Sigma Phi, national honorary and professional fraternity for women. Both girls have been exceedingly active in literary work on the campus, having specialized in Ariel work. Miss Diderich has been on the Ariel staff for three years, and this year will be editor of the faculty section. Miss Ralph has also been on the staff for three years, and is now editor of the humor section.

Pledge services were held last night, and initiation will be held within a few weeks.

The active members of Theta Sigma Phi are Violet Christensen, Mary Gregory, Grace Hannagan, and Helen Norris.

Former Lawrence Professor Honored In Chapel Service

Dr. Youtz Tells Student Body Of Life Of Dr. Gerechter, Professor Emeritus

"He had a philosophy of life which developed in him one of the loveliest characters I have ever known. He was not contentious, but he was mild and kind. He loved men, he had faith in men, and he mingled with them with great pleasure, always aiming in kindness and wholehearted deference to give more than he received." These were the words of Dr. L. A. Youtz, professor of chemistry, in the eulogy which he delivered in student convocation Tuesday, of Dr. Emmanuel Gerechter, only professor emeritus of Lawrence.

Professor Youtz, who knew and worked with Dr. Gerechter while the latter was professor of German and Hebrew at Lawrence, said of his profession, "As a teacher he was unusually well qualified in the technique of German and Hebrew, for these were his own first languages. He had unusual ability to impart learning and he loved to teach. He loved it because he loved young people."

"As a pastor," continued Dr. Youtz, "he loved his people, and they loved him. He was a theologian of broad learning, not merely a preacher to minister to the common spiritual needs of his congregation day by day, but he had a definitely defined, and broadly projected philosophy of religion, which sustained him through his life."

Professor Gerechter came to Lawrence in 1894, and remained in continuous full-time teaching of German and Hebrew until 1913, and then for five years more as part-time teacher of German, thus completing twenty-four years of teaching at Lawrence. He was appointed emeritus of these subjects in 1913.

He had received a classical education at the gymnasium of Lissa, Germany, a theological course at Breslau, and taught for a time in the Rhineland, Germany. Upon his arrival in the United States he was first rabbi in Detroit, then in Grand Rapids. He next accepted a charge in Milwaukee, and later came to the Zion congregation in Appleton where he stayed for the remainder of his professional life. He spent the last few years of his life in New York with friends and relatives.

Dr. Denyes Occupies Pulpit

Dr. John R. Denyes, professor of religion, occupied the pulpit of the First Methodist Church of Oconto last Sunday morning in the absence of Rev. C. E. Lease, the regular pastor, who is a former student of Lawrence. Dr. Denyes chose for his subject "Types and Outcomes of Mission Work," based primarily on missionary experiences which Dr. and Mrs. Denyes had on the island of Java.

Blue Team Is Crippled For Ripon Battle

Ripon Team To Meet Catlinmen Without Nason and Barfell, Two Star Backfield Men

The old "dope bucket" predicts a battle royal tomorrow between Coach Catlin's Blues and Doehling's Redmen. Ripon will fight as she never did before, for she has a chance to humble Lawrence before a homecoming crowd of old "grads" who are pulling for a defeat of her traditional rivals while Lawrence realizes that a win tomorrow will give her a good start toward a Little Five title.

Last Saturday's game at Cornell college of Mt. Vernon, Iowa put the Riponites in the light as one of the strong teams of the conference, despite their 7-2 defeat. Cornell vainly tried to make the score appear impressive but the Red line seemed to muster the necessary strength at the crucial moments and the Cornellians were stopped. Gordon Murchie, quarter, is one of the best open field runners that Ripon has had for several years. He gained most of the ground for the Reds but lacked the interference needed for scoring. Bahrs also contributed a few yards through the line with his plunges. A good punter is to be found in Stamm who plays tackle when not needed in the rear wall.

In direct comparison to the Blues it can be truthfully said that the Doehlingites have a heavier team on the average. The line is heavier, although the ends are possibly smaller than those of the Blues. The backfield is about the same, but taller and more rangy than the Blue-men.

Ripon has also perfected a forward passing game that will keep the Catlin backs on their toes. Against Coe they displayed a closed game in preference to the open formations that Blues use at times.

(Continued on Page 3)

Boyhood Pals Will Captain Opposing Teams on Gridiron

Two kids, 12 years ago, led gangs of equally hard-boiled kids against each other in frequent alley football games at Neillsville, Wis.

One of the boys later moved to Marshfield, a city nearby, but in high school the two enemies continued to play each other, no doubt with the same old ferocity.

And for the last three years, these ancient rivals have met each other on the college gridiron. This season, however, is to be their last, and it is fitting that they should lead their teams.

Captain Marvin Counsell, Marshfield, will therefore bring his Lawrence college eleven to Ingalls field at Ripon on Oct. 23 to meet Captain Melvin Ure and his Ripon eleven. Representing institutions famed for their traditional rivalry, what a game these two lovable captains should make of the 1926 Crimson homecoming.

Lael Westberg Is Elected Cheer Leader

Lawrence cheer leaders for the coming year were definitely elected in the final elections held this week. Lael Westberg, '28, who was selected by acclamation earlier in the year will continue to take charge of pep demonstrations. He will be assisted by Ida Belle LaBudde, '30, and Lyle Jorgenson, '29.

Royall La Rose, '27, visited friends at Green Bay Saturday and Sunday.

PETTY POLITICS

It is not too early in the school year to sound a warning on the evil of petty politics.

There are offices and positions of preference that will be filled by some of us at the time of elections next spring. We should be training for those offices and positions now, and much time and effort should be spent to fit us for the positions we aspire to. It will not make our work lighter or pleasanter to be faced with the knowledge that a merger of groups and factions may be formed that will give the coveted position to one who has spent no effort to prove his fitness.

It is not a hardship to lose in competition that is fair, but it is impossible to give your respect and support to the winner who has won by political influence only.

There is also another side to be considered, and that is the actual harm that is done to those who engage in petty politics. There may be a short-lived elation over a clever coup that won victory, but it is short-lived unless the individual is so small-calibered that he is unable to feel remorse for an injustice committed.

Let's play the game out in the open this year.

More Speeches On Dr. Wriston's Program

Speeches at Madison and Marinette compose the speaking program of President Henry Wriston for the next few days, it was announced from the college office.

At a meeting of the Madison branch of the American Association of University Women, to be held Saturday afternoon, Dr. Wriston will speak on "A Foreign Policy for America."

Monday evening the Lawrence president will address the Ministerial association, Wisconsin conference, Appleton district, at Marinette. The topic of this address has not yet been announced.

Monday noon he will speak before the Marinette Rotary club.

Addresses Wise Men's Club

Dr. John R. Denyes of the department of religion and missions gave an address at a meeting of the Wise Men's club of the Appleton Y.M.C.A. Monday evening, October 18.

Dr. Denyes' topic, "Religious Education," was based upon the fact that "there is a great deal of spiritual poverty and intellectual barrenness with relation to religious values and a consequent moral inertia."

DR. S. J. KLOEHN
DENTIST

What ho! We're off to Ripon. Did we get a special or did we not? Apparently not! But then, trains are always so darned inconvenient and often quite unaccommodating. Suppose the engineer didn't want to stay for the dance?

Here's to that distinguished member of our well known faculty who picked up the vanity case and the bunch of keys the other day. Sezzee: "It may be hard to find the owner of the keys, but the name of the owner of the vanity case is right here on the case. See, here it is—Cara Nome."

"Say, I hear that none of the fraternalists can meet their creditors."

"On the contrary, we meet them wherever we go."

Our Lawrentian make-up men may not be so very, very accurate—but at any rate they never make the mistake reported in a recent K. C. Star—when some town newspaper printed the "Go-to-Church" notices on the fire-prevention page.

The street car came to a sudden stop.

"What's broke?" inquired a passenger.

"That college boy who just got on."

We hear that they have re-interred Chief Oshkosh. We also knew it was a dead town, but we never thought it would do anything to cause the venerable chief to turn over in his grave.

Our only advice to contris is to start plugging along, and keep it up. Before long, you'll have something to write to us about.

Hack Work.

Is Chosen Secretary Of Girls' Rifle Club

At a special election held at the last meeting of the Girl's Rifle club, Doris Gates was made secretary of the organization. The election was made necessary by the failure of Mary Holdsworth to return to Lawrence this year.

The highest scores made at the last shooting were as follows:
21, Norma Kitch; 20, Irma Bethe; 19, Esther Ziegler, G. Lanzer, K. Howser; 18, D. Dana; 17, A. Howser, Margaret Parsons, and D. Gates.

Conduct Tryouts For Men's Glee Club

Try-outs for the Men's Glee club are now being conducted by Dean Waterman. Every college man who enjoys singing and who desires to become a member of the club should arrange for a try-out at the conservatory immediately. A good voice is the only prerequisite; a reading knowledge of music is not absolutely required.

Plans for the glee club concerts this year promise a most enjoyable trip, probably extending over a period of two weeks.

On The Screen

Do you believe in reincarnation?

Whether you believe that departed spirits return to this earth reincarnated in other bodies or not, you will be vitally interested in the treatment of this subject on the screen that is to be found in "The Vision," which is showing Saturday at Fischers Appleton Theatre.

It is the story of a spirit restlessly wandering in space waiting to be joined by her lost love, whose reincarnated spirit is inhabiting the body of a living person. The two souls are finally united—the wandering spirit at last finds peace.

This film, done entirely in natural colors, is the most finished and artistic photoplay in short length that has ever been shown at the Fischers Appleton Theatre.

Shown on the same program is the latest feature comedy starring Douglas MacLean, entitled "Hold That Lion" and including Walter Hiers in the cast.

Mr. and Mrs. Richard Nelson of Beloit visited here over the week-end. Mr. Nelson was a member of Sigma Phi Epsilon here last year. He is working in the advertising department of the Beloit "Daily News".

Two New Men Report For Cross Country; Outlook Very Good

Blue prospects for a winning cross country aggregation took a decided turn for the better this week when Captain Kingsbury and Snyder, both experienced harriers, came out for practice. These two men together with Purves and Mueller, veterans of last year's undefeated team, and Fischl, Bush, and Ozzanne are expected to carry the Blue and White around the three and a half mile grind this year.

The Blues will make their debut on the home course October 30, when they meet the crack Marquette harriers, including Shimek, Big Ten cross country champion and two mile speed merchant, Schmaltz and Davis, veterans with several years' experience, and Pfieger and Jamieson, luminaries on the Black and Orange yearling team of last year.

The next scheduled meet is with North Central College (formerly Northwestern) of Naperville, Illinois, November 6. Last year the Lawrence runners were forced to the limit to defeat the southerners, and it is expected that, with a team of experienced men, they will again furnish stiff competition for Coach Christoph's men.

Another meet is being arranged with Lake Forest, and it is probable that November 20 will be the date set for this event. The Lake Forest team was handed a neat defeat by the Blues a year ago when all five of Coach Denney's men crossed the tape ahead of the invaders.

Fresh are ineligible for varsity competition this year, but that is not hindering a number of promising yearlings from working out daily with the regulars. Wolf, Rohan, Pinkerton, Jesse, Lambek, Jacobson, and Scheurman are showing some real class in their daily grinds about the course. Wolf, star Milwaukee miler, and Rohan, Kaukauna flash who won the intramural run a week ago, look like good varsity material for next year.

Faculty-Student Tennis Tournament Postponed

Despite frantic efforts on the part of the faculty to get a rise out of the men over the challenge to a tennis match which was hurled a few days ago, nothing definite has been done. The courts at the present time are badly in need of a rolling and cannot be played on, so no matches will be played until they are repaired.

Walter Heideman, '27, spent the week-end at Chicago, Illinois. He visited at the home of Enid Jarrett, ex-'26.

Blues Weakened For Ripon Homecoming

(Continued from Page 1)
As if Ripon's improvement were not enough an avalanche of injuries has swept through the Lawrence backfield. Barfell suffered an injured side when he returned a kick-off in scrimmage on Tuesday. Later in the same afternoon Burt Nason was caught behind the line and after being piled upon by the frosh it was discovered that his leg had been twisted and his ankle sprained. Both of these men are probably out for most of the game tomorrow.

Whiting field has been the scene of much activity this week, and the Blues now appear to be in mid-season form. The lineup will probably be the same as that which started the Coe game with Hipke at center, Weinkauff and Steensland at guards, Counsell and Ott at tackles, Hilton and Jessup at ends, Bloomer at quarterback, Nason and Barfell at halves, and Briese at fullback.

Enthusiasm at Lawrence runs high. About two hundred Blue rooters will leave for Ripon tomorrow morning. The newly organized band will furnish the old Lawrence spirit and help to prove to the Ripon team that a new Lawrence college is backing up a fighting team of gridgers.

Finish One Round Of Tennis Tourney

In spite of the inclement weather of the last week, play in the first round of the annual All-College tennis tournament has progressed rapidly. All but one match in the first round have been played and the second round will take place soon.

The field of entries in the fall tourney is small, only sixteen men entering. Only one varsity man is on the playing list, while most of the players are freshmen.

Results in the upper bracket are as follows: Hanke defeated Ellis, McGinn defeated Jones, Pierce defeated Ellingbe, and Menzner defeated Elmgren. In the second round Hanke is to meet McGinn, and Pierce will battle Menzner. For the lower bracket Krause defeated Berzinsky, Schneller defeated Hales, and Buck downed Yates. The match between Dean and Rempel has not yet been played, but the winner of that will meet Buck, while Krause and Schneller will come together in the second round.

Arthur Mueller, '29, and Arnold Purves, '28, spent the week-end hunting ducks at Freemont.

CLUBS

Latin Club Meets

A reorganization meeting of the Lawrence Latin club was held yesterday afternoon at 4 p.m. in the Latin department rooms. About twenty members were present.

One of the annual publications of the college, "The Latinist," is sponsored and edited by the Latin club.

English Club Elects

Thirteen members were elected to the English club at the meeting held Monday afternoon at 4:30 at the home of Dr. W. E. McPheeters, 909 East Alton street.

Those elected to membership are Warren Colter, Myrtle Ellis, James Ford, Helen Greenwood, Norma Kitch, Norman Knutzen, Goldie Belle McComb, Theodora Reeve, Irma Rideout, Gertrude Smith, Wilma Thiede, Eleanor Tuttrup, and Charlotte Williams.

General business matters were discussed, and it was decided to revise the constitution of the club. Kathryn Pratt, '27, was appointed chairman of the committee on revision.

Following the business meeting refreshments were served.

History Club Picnic

An indoor picnic at the Olive Hamar House Wednesday afternoon was the welcome given by the History club to the new members elected last week. Initiation stunts were presented, and the remainder of the afternoon was spent informally.

The affair had been scheduled to take place at Alicia Park, but rainy weather made it necessary to change the plans. About twenty-five persons were present.

The next meeting will be held the

second Tuesday in November at Dr. Trever's home, 838 East Alton street. Dr. John B. MacHarg will speak on "The Unknown Southwest."

Rifle Club Officers

Election of officers featured the last meeting of the Rifle club, at which time executives for the coming year were chosen. Bernard Herriek, '27, was elected president; Fred Kleiber, '28, vice president; Walter Winslow, '29, secretary; and Earl Buchanan, '30, treasurer.

The club will meet on Wednesday afternoons at 3:00.

Biology Club Meets.

The first meeting of the year of the Biology Club will be held Tuesday, October 26 at seven o'clock in the zoology lecture room. A discussion of plans for the year will be held. The organization is open to all upperclassmen who are taking work in the Zoology department.

W.A.A. Party

The date for the W.A.A. party has been definitely set for Monday, October 25. Hours have been granted to extend from 6:45 to 8:30. All girls interested in W.A.A. and girls' athletics may attend.

Congregational Club

The Congregational club will meet from 5:00 to 6:00 Sunday evening at the church. Dr. Mullenix will speak on "The Younger Generation".

Athena Meeting

There will be an important meeting of the Athena literary society at 4:30, Friday afternoon, at the Athena rooms.

Mrs. Duxbury of Marinette is visiting her daughter Margaret, '29.

SOCIETY

Announce

Engagement

Mrs. W. O. Thiede announced the engagement of her daughter Wilma, '27, to John Badnock, Tuesday, October 20, at a dinner given for the actives and pledges of Alpha Delta Pi at the Candle Glow tea room. Mr. Badnock attended Northwestern university and is at present working for Mr. A. K. Ellis of Appleton.

Sigma Alpha Iota

Dinner

The actives and pledges of Sigma Alpha Iota gave a farewell dinner in honor of Mr. and Mrs. Quinlan, Sunday night, October 20, at the Northern hotel. Mrs. Quinlan is a patroness of the sorority and has been voice instructor at the conservatory for several years. The Quinlans left on Tuesday for California.

Kappa Alpha Theta

Supper

The members of Kappa Alpha Theta sorority held a supper in their rooms on South Durkee street, Tuesday evening.

Patron Entertains

Phi Kappa Tau

The members of Phi Kappa Tau were entertained at a theater party Saturday night by Louis Lutz, a patron of the fraternity. After the show they played bridge in Mr. Lutz's apartment and later had dinner at the Conway hotel.

Rho Beta Phi

Dinner

Rho Beta Phi entertained their patronesses at a dinner at the Candle Glow, Tuesday night, October 20.

Pledge Tea For

Rho Beta Phi

The pledges of Rho Beta Phi gave a tea for the pledges of the other sororities on the campus Thursday, at the home of Mrs. L. F. Marshall on Drew street.

W. A. A. Board

Entertains Members

The student members of the W. A. A. board entertained the faculty members at a dinner at the Kappa Delta sorority rooms, Wednesday, October 21.

Adelphes

Pledges Two

Adelphes announces that the names of Ethel Patrick, '29, Whitewater, and Ethel Radtke, '29, Appleton, were omitted from the list of pledges given in the Lawrentian of October 15.

Delta Sigma

Initiate

Delta Sigma Tau announces the initiation of Miller Babcock, '29, Appleton, and Waldemar Bury, '29, Fond du Lac, on Wednesday night, October 20. After the service a banquet was held at the Congress.

Pledged to

Alpha Gamma Phi

Alpha Gamma Phi announces the pledging of Dorothy Olson, '30, of Mosinee, on Tuesday, October 20.

Psi Chi Omega

Pledges

Psi Chi Omega announces the pledging of Herbert Rahmlow, '30, of Appleton, last Tuesday evening, and the initiation of Harold Cripe, '27, of Wausaukee.

Because Wrigley's, besides being a delightful confection, affords beneficial exercise to the teeth and clears them of food particles.

Also it aids digestion. G12

After Every Meal

Miss Beulah Westerman, former instructor of chemistry at Lawrence, is attending the University of Illinois where she is working for her Ph. D. degree.

Evan Terp, ex-'23, spent the weekend at the Phi Kappa Alpha house.

Al Colburn from the Madison chapter of Sigma Phi Epsilon spent the week-end at the Sigma Phi Epsilon house.

Dorothy Tipler, '26, visited with Kappa Alpha Theta sorority sisters over the week-end.

Appleton Neenah

A Professor of History—

a married one this time—asked a Senior the following good question:

"What was the most momentous date in history?"

To which the Senior—his brain still clouded from last night's formal—

replied:

"Antony's with Cleopatra."

For Momentous Dates—

New Sweaters

are in at the Fair Store. Slip-over or button-down-the-front styles. Joyous colors. Attractive designs. Priced at \$2.95 to \$4.95.

For Momentous Dates—

Flowers For Your Coat

are fashionable this fall. At the Fair Store a wide assortment awaits you. Flowers of metal! Flowers of cloth! Flowers of rubber! Rubber at 'em at the Fair Store!

For Momentous Dates—

Fair Store Scarfs

are a revelation. Our famous 79c scarfs may be had in georgette this year, as well as in crepe de Chine and flat crepe. Other scarfs go up to \$5.48.

For Momentous Dates—

New Fownes Gloves

combine style authenticity with beauty, long wear and a moderate price. Kid, silk, filonette, wool, and lined gloves are all on display at the Fair Store.

For Momentous Dates—

Fair Store Stockings

are all first quality. Silk-over-the-knee stockings at \$1.00 a pair. Some good-looking sports hose have just arrived at \$1.00, \$1.25 and \$1.50 a pair.
